- Able to work collaboratively in a fluid environment under tight deadlines
- Can take creative lead and follow design directives
- A high-level knowledge of the CS suite (Creative Cloud) AdobePhotoshop, InDesign and Illustrator is essential.
- Strong typographic skills, typesetting abilities, sensitivity to images and attention to detail
- An understanding of prepress and repro workflows
- General sense of assets management Google Suite, MS Office
- Sharp visual knowledge and an appetite for experimentation
- Great organisational and time management skills
- Ability to develop production specs and obtain estimates
- Flexible, highly driven, self-motivated and punctual

Beneficial

- 2 years experience as a professional graphic designer
- Proficiency in other software, such as After Effects, Premiere Pro, Live Surface, Sketch, Glyphs and FontLab
- Knowledge of programming for web and digital platforms: HTML, CSS, jQuery
- Skills in book-binding and making things
- Interests in Contemporary Art, Architecture, Design, Fashion
- Abilities in photography, film, 3D
- A second language (German) would be beneficial.
